PRIVATE LABEL WINES

In collaboration with our friends at Pondview Winery in Niagara, we present to you our line-up of private label wines. These wines truly represent Niagara's terroir and character, and we feel these have become the perfect "house wine" for our esteemed members at Manitoba Club. The wines are great on their own, and their versatility makes them very compatible with Chef's cuisine.

Sparkling

- * **2017 Manitoba Club | Bubbles, Niagara CDN** 52

Our private label Niagara Sparkling Brut is made with 100% vidal from Niagara-on-the-Lake. The wine is fresh with lime-dominated citrus, mineral and fresh-cut pineapple. The mouth-feel is soft and creamy, light and dreamy.

White

- * **2017 Manitoba Club | White (Sauvignon Blanc), Niagara CDN** 38

This Sauvignon Blanc delivers above its pay grade—a huge bouquet of nectarine, guava, passion fruit, poached pear and grapefruit. On the palate, it is dry with fresh acidity, very good length and added nuances of lemon balm and minerals.

Red

- * **2016 Manitoba Club | Claret, Niagara CDN** 38

This classic cabernet merlot blend is loaded with ripe raspberry and cherry characteristics. A delicious fruit-forward, nicely balanced wine with soft and well-integrated black cherry, cassis and hints of licorice. Pair this wine with your favourite grilled and roasted meats: lamb, beef and wild game are all great matches with this easy-going red wine.

- * Wines with this symbol are exclusive Manitoba Club wines not available anywhere else in the market. Price is retail plus \$25 corkage.

NATURAL WINES

Natural winemakers believe that wine should be treated and viewed as an agricultural product. They believe that the wines are alive and as a result, they are sometimes unpredictable, with unique souls and personalities. This is what makes drinking them so fun!

There is no legal definition or rules regulating the production of natural wine, but generally producers employ these principles:

- 1) land is farmed organically
- 2) minimal additives or processing aids are used (including pitched yeasts and sulphur)
- 3) wines are unfiltered and unfinned

Choose one of the following wines as a part of our exclusive offering, and start your exploration of natural wines!
